To whom it may concern:

Over the past several years I have taught several courses on the JFK assassination. This coming January '95 I will be conducting a one-month seminar on Gerald Posner's Case Closed, in light of the devastating critical revelations brought forth in Harold Weisberg's Case Open, which you published this past spring. In reading Case Open, I was intrigued by several references to a new book by Mr. Weisberg entitled Never Again!, which I understand Carroll & Graf will also be publishing. I am certain I will want to use Never Again! in future courses and seminars. Could you please tell me when it will be available so that I may plan accordingly. Your prompt response will be greatly appreciated. Thank you for your time.

Sincerely,

Gerald Ginocchio
